ADROL 2T PLUS

JASO FC/TC

TWO STROKE MOTORCYCLE ENGINE OIL

DESCRIPTION

ADROL 2T PLUS JASO FC/TC engine Oil is low smoke semisynthetic two stroke engine oil developed to meet the critical requirements of 2 stroke engines manufactured by Gargo international "ADROL LUBRICANTS". It is blended from selected virgin base stocks and special proven additives to minimise spark plug fouling and pre - ignition, prevent rusting, minimise deposit formation and provide protection against seizure, scuffing and wear. It is specifically formulated to give additional advantage of lower consumption of fuel. It contains a diluent for easy mixing with gasoline and is dyed green for easy identification.

APPLICATIONS

- Recommended for lubrication of scooters, auto rickshaws, motorcycles and mopeds operating on two stroke engines.
- The recommended dosage is 20ml of oil per liter of petrol.

PERFORMANCE STANDARDS

- JASO FC/TC

BENEFITS

- Protection against seizure, scuffing and wear
- Minimise spark plug fouling and pre - ignition, prevent rusting, minimise deposit formation.
- Adrol 2T is beneficial to reduce consumption of oil.
